\$10 IN GOLD AT THE FAIR!

TO BE GIVEN AWAY IN A PRIZE DRAWING.

Every time you buy a dollar's worth of goods you get a ticket free on the drawing. We make this extra offer for the next 30 days to reduce our stock as we bought very heavy in early fall goods and as our store is not large enough we must clear them out and make room for the November shipment. Nothing succeeds like success and we owe our success to small profits and quick sales. We have moved but it is not hard to find us if you only go with the crowd and strike lower Main street anywhere. Walk right in and make our store

Your Headquarters While in the City.

Remember that we keep the very latest and newest novelties in everything. The finest line of gent's furnishings in the city and all the latest styles in Hats, Ties, Collars, etc. Having bought an immense Job Lot of Dry Goods in the eastern cities at less than manufacturer's cost, we are able to sell for less than our competitors buy. And CLOTHING! Of all the landslides that ever struck Ellendale, you'll find it in the clothing at the "Fair." LOOK! A good suit of clothes warranted to wear a year, for only \$3.37, and a boy's suit that is good and warm for \$1.78. Then we have men's suits for \$4.68 worth \$8; for \$5.65 worth \$10; for \$8.46 worth \$13; for \$10.76 worth 16

AND A SUIT FOR \$16.68

That you will pay \$25 for in anyother store this side of St. Paul. Everbody naturally inquires, how can The Fair sell these goods so much cheaper than other stores? It is plain and simple. We Buy For Spot Cash and get the money for what we sell. For instance, you buy a suit of clothes to-day for \$3.37, then in just 4½ days we have that same kind of suit right from the factory with the very money invested that you paid us. See? Compare our prices carefully with what you have been paying. 'Tis a partial list.
